In the event the Agreement is terminated as herein described during the initial Service Term, Termination Charges shall also include one hundred percent (100%) of any amount paid by FOA in connection with Custom Installation, as that term is defined in Section 2.7, for the Services provided by FOA under the Service Order.

ARTICLE 2. DELIVERY OF SERVICES

2.1 Orders. Customer shall submit to FOA a properly completed Service Order to initiate Services to a Service Location(s). A Service

Order shall become binding on the parties when (i) it is specifically accepted by FOA either electronically or in writing, (ii) FOA begins providing the Services described in the Service Order or (iii) FOA begins Custom Installation (as defined in Section 2.7) for delivery of the Services described in the Service Order, whichever is earlier. When a Service Order becomes effective it shall be deemed part of, and shall be subject to, the Agreement.

2.2 Speed. FOA makes no representation regarding the speed of the Internet Service. Actual speeds may vary and are not guaranteed. Many factors affect speed including, without limitation, the number of workstations using a single connection. FOA will work with customer to make sure they have proper speeds to run the phone system.

2.3 Access. Customer, at no cost to FOA, shall secure and maintain all necessary rights of access to Service Location(s) for FOA to install and provide the Services, unless FOA has secured such access prior to this Agreement. In addition, Customer shall provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the FOA Equipment used to provide the Services within the Service Location(s). FOA and its employees and authorized contractors will require free ingress and egress into and out of the Service Location(s) in connection with the provision of Services. Upon reasonable notice from FOA, Customer shall provide all required access to FOA and its authorized personnel.

2.4 Service Commencement Date. Upon installation and connection of the necessary facilities and equipment to provide the Services, or in the case of Voice, the day Voice Service is activated, FOA shall notify Customer that the Services are available for use, and the date of such notice shall be called the "Service Commencement Date." Any failure or refusal on the part of Customer to be ready to receive the Services on the Service Commencement Date shall not relieve Customer of its obligation to pay applicable Service charges.

2.5 FOA Equipment. FOA Equipment is and shall remain the property of FOA regardless of where installed within the Service Location(s), and shall not be considered a fixture or an addition to the land or the Service Location(s). At any time FOA may remove or change FOA Equipment in its sole discretion in connection with providing the Services. Customer shall not move, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any FOA Equipment or permit others to do so, and shall not use the FOA Equipment for any purpose other than that authorized by the Agreement. FOA shall maintain FOA Equipment in good operating condition during the term of this Agreement; provided, however, that such maintenance shall be at FOA's expense only to the extent that it is related to and/or resulting from the ordinary and proper use of the FOA Equipment. Customer is responsible for damage to, or loss of, FOA Equipment caused by its acts or omissions, and its noncompliance with this Section, or by fire, theft or other casualty at the Service Location(s), unless caused by the negligence or willful misconduct of FOA.

Customer agrees not to take any action that would directly or indirectly impair FOA's title to the FOA Equipment, or expose FOA to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the Parties. Following FOA's discontinuance of the Services to the Service Location(s), FOA retains the right to remove the FOA Equipment including, but not limited to, that portion of the FOA Equipment located within the Service Location(s). To the extent FOA removes such FOA Equipment, it shall be responsible for returning the Service Location(s) to its prior condition, wear and tear excepted.

2.6 Customer-Provided Equipment. FOA shall have no obligation to install, operate, or maintain Customer-Provided Equipment. Customer alone shall be responsible for providing maintenance, repair, operation and replacement of all inside telephone wiring and equipment and facilities on the Customer's side of the cable modem, route and/or coaxial input connection. All Customer-Provided Equipment and wiring that Customer uses in connection with the Services must be fully compatible with the Services. Customer shall be responsible for the payment of all charges for troubleshooting, maintenance or repairs attempted or performed by FOA's employees or authorized contractors when the difficulty or trouble report results from Customer-Provided Equipment.

2.7 Engineering Review. Each Service Order submitted by Customer shall be subject to an engineering review by FOA. The engineering review will determine whether the cable plant must be extended, built or upgraded in order to provide the ordered Services at the requested Service Location(s), or whether Service installation has to be expedited to meet the Customer's requested Service Commencement Date ("Custom Installation") . FOA will provide Customer written notification in the event Service installation at any Service Location will require an additional one-time installation fee ("Custom Installation Fee"). Customer will have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate, without further liability, the Service Order with respect to the affected Service Location(s).

2.8 Administrative Web Site. FOA may, at its sole option, make one or more administrative web sites available to Customer in connection with Customer's use of the Services (each an "Administrative Web Site"). FOA may furnish Customer with one or more user identifications and/or passwords for use on the Administrative Web Site. Customer shall be responsible for the confidentiality and use of such user identifications and/or passwords and shall immediately notify FOA if there has been an unauthorized release, use or other compromise of any user identification or password. In addition, Customer agrees that its authorized users shall keep confidential and not distribute any information or other materials made available by the Administrative Web Site. Customer shall be solely responsible for all use of the Administrative Web Site, and FOA shall be entitled to rely on all Customer uses of and submissions to the Administrative Web Site as authorized by Customer. FOA shall not be liable for any loss, cost, expense or other liability arising out of any Customer use

of the Administrative Web Site or any information on the Administrative Web Site. FOA may change or discontinue the Administrative Web Site, or Customer's right to use the Administrative Web Site, at any time. Additional terms and policies may apply to Customer's use of the Administrative Web Site. These terms and policies will be posted on the site.

ARTICLE 3. CHARGES, BILLING AND PAYMENT

3.1 Charges. Customer shall pay FOA one hundred percent (100%) of the Custom Installation Fee prior to the installation of Service. Customer further agrees to pay all charges associated with the Services, as set forth or referenced in the applicable Service Order(s) or invoiced by FOA. These charges may include, but are not limited to installation charges, monthly recurring service charges, usage charges including without limitation charges for the use of FOA Equipment, per-call charges, charges for service calls, maintenance and repair charges, and applicable federal, state, and local taxes, fees, surcharges and recoupments (however designated). Some Services such as measured and per-call charges, (as explained below in the Voice Additional Terms) may be invoiced after the Service has been provided to Customer. Except as otherwise indicated herein or on the applicable Service Order(s)..

3.2 Third-Party Charges. Customer may incur charges from third party service providers that are separate and apart from the amounts charged by FOA. These may include, without limitation, charges resulting from accessing on-line services, calls to parties who charge for their telephone based services, purchasing or subscribing to other offerings via the Internet or otherwise. Customer agrees that all such charges, including all applicable taxes, are Customer's sole responsibility. In addition, Customer is solely responsible for protecting the security of credit card information provided to others in connection with such transactions.

3.3 Payment of Bills. Except as otherwise indicated herein or on the Service Order(s), FOA will invoice Customer in advance on a monthly basis for all monthly recurring Service charges and fees arising under the Agreement. All other charges will be billed monthly in arrears. Customer shall make payment to FOA for all invoiced amounts within thirty (30) days after the date of the invoice. Any amounts not paid to FOA within such period will be considered past due. If a Service Commencement Date is not the first day of a billing period, Customer's next monthly invoice shall include a *pro-rated* charge for the Services, from the date of installation to the first day of the new billing. In certain cases.

3.4 Partial Payment. Partial payment of any bill will be applied to the Customer's outstanding charges in the amounts and proportions as solely determined by FOA. No acceptance of partial payment(s) by FOA shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

3.5 Payment by Credit Card. Upon Customer's written request and FOA's acceptance of such request, FOA will accept certain credit card payments for charges generated under the Agreement. By providing FOA with a credit card number, Customer authorizes FOA to charge the card for all charges generated under this Agreement, until (i) this Agreement is terminated or (ii) Customer provides sixty (60) days prior notice that FOA stop charging the credit card. Customer agrees to provide FOA with updated credit card or alternate payment information on a timely basis prior to the expiration or termination of the credit card on file or in the event that Customer's credit card limit is or will be insufficient to cover payment. If FOA is unable to charge Customer's credit card for any reason, Customer agrees to pay all amounts due, including any late payment charges or bank charges, upon demand by FOA. FOA may limit the option to pay by credit card to specific Services or may discontinue acceptance of credit card payments in whole or in part upon thirty (30) days prior notice to Customer.

3.6 Credit Approval and Deposits. Initial and ongoing delivery of Services may be subject to credit approval. If requested customer shall provide FOA with credit information.. Customer authorizes FOA to make inquiries and to receive information about Customer's credit history from others and to enter this information in Customer's records. Customer represents and warrants that all credit information that it provides to FOA will be true and correct. FOA, in its sole discretion, may deny the Services based upon an unsatisfactory credit history. Additionally, subject to applicable regulations, FOA may require Customer to make a deposit (in an amount not to exceed an estimated two-month's charge for the Services) as a condition to FOA's provision of the Services, or as a condition to FOA's continuation of the Services. The deposit will not, unless explicitly required by law, bear interest and shall be held by FOA as security for payment of Customer's charges. If the provision of Service to Customer is terminated, or if FOA determines in its sole discretion that such deposit is no longer necessary, then the amount of the deposit will be credited to Customer's account or will be refunded to Customer, as determined by FOA. If it is not noted on your service agreement your initial payment is the first month of service and any onetime fees.

3.7 Taxes and Fees. Customer shall be responsible for the payment of any and all applicable local, state, and federal taxes or fees (however designated). Customer will be responsible to pay any Service fees, payment obligations and taxes that become applicable retroactively. If customer is tax exempt in any category listed above they must supply FOA with documentation of such exemption to not be charged the applicable tax.

3.8 Other Government-Related Costs and Fees. FOA reserves the right to invoice Customer for any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies in connection with the sale, installation, use, or provision of the Services, including, without limitation, applicable franchise fees (if any), regardless of whether FOA or its Affiliates pay

the taxes directly or are required by an order, rule, or regulation of a taxing jurisdiction to collect them from Customer.. These obligations may include those imposed on FOA or its affiliates by an order, rule, or regulation of a regulatory body or a court of competent jurisdiction, as well as those that FOA or its affiliates are required to collect from the Customer or to pay to others in support of statutory or regulatory programs. For example, Voice customers are charged a monthly regulatory recovery fee to help defray FOA's contributions to municipal, state, and federal programs including, without limitation, universal service, telecom relay services for the visually/hearing impaired, and 911/E911 programs and infrastructure. This regulatory recovery fee is not a tax, and it is not government-mandated. Taxes and other government-related fees and surcharges may be changed with or without notice,

3.9 Disputed Invoice. If Customer disputes any portion of an invoice, Customer must pay the undisputed portion of the invoice and submit a written claim, including all documentation substantiating Customer's claim, to FOA for the disputed amount of the invoice by the invoice due date. The Parties shall negotiate in good faith to resolve the dispute. However, should the parties fail to mutually resolve the dispute within sixty (60) days after the dispute was submitted to FOA, all disputed amounts shall become immediately due and payable to FOA.

3.10 Past-Due Amounts. Any undisputed payment not made when due will be subject to a reasonable late charge not to exceed the highest rate allowed by law on the unpaid invoice. If Customer's account is delinquent, FOA may refer the account to a collection agency or attorney that may pursue collection of the past due amount and/or any FOA Equipment that Customer fails to return in accordance with the Agreement. If FOA is required to use a collection agency or attorney to collect any amount owed by Customer or any unreturned FOA Equipment, Customer agrees to pay all reasonable costs of collection or other action. The remedies set forth herein are in addition to and not in limitation of any other rights and remedies available to FOA under the Agreement or at law or in equity.

3.11 Rejected Payments. Except to the extent otherwise prohibited by law, Customer will be assessed a service charge up to the full amount permitted under applicable law for any check or other instrument used to pay for the Services that has been rejected by the bank or other financial institution.

3.12 Fraudulent Use of Services. Customer is responsible for all charges attributable to Customer with respect to the Services, even if incurred as the result of fraudulent or unauthorized use of the Services. FOA may, but is not obligated to, detect or report unauthorized or fraudulent use of Services to Customer. FOA reserves the right to restrict, suspend or discontinue providing any Service in the event of fraudulent use by Customer.

ARTICLE 4. TERM

4.1 Agreement Term. This Agreement shall terminate upon the expiration or other termination of the final existing Service Order entered into under this Agreement. The term of a Service Order shall commence on the Service Commencement Date and shall terminate at the end of the stated Service Term of such Service. Unless otherwise stated in these terms and conditions, if a Service Order does not specify a term of service, the Service Term shall be one (1) year from the Service Commencement Date.

4.2 Service Order Renewal. Upon the expiration of the Service Term, this Agreement and each applicable Service Order shall automatically renew for successive periods of one (1) year each ("Renewal Term(s)"), unless otherwise stated in these terms and conditions or prior notice of non-renewal is delivered by either Party to the other at least thirty (30) days before the expiration of the Service Term or the then current Renewal Term. Except as otherwise identified in the Agreement, at any time during initial Service Term and from time to time thereafter, FOA may increase the charges for Voice Services subject to thirty (30) days prior notice to Customer. Effective at any time after the end of the initial Service Term and from time to time thereafter, Customer will have thirty (30) days from receipt of such notice to cancel the applicable Service without further liability. Should Customer fail to cancel within this timeframe, Customer will be deemed to have accepted the modified Service pricing.

ARTICLE 5. TERMINATION OF AGREEMENT AND/OR A SALES ORDER

5.1 Termination for Convenience. Notwithstanding any other term or provision in this Agreement, Customer shall have the right to terminate a Service Order, or this Agreement in whole or part, at any time during the Service Term upon sixty (60) days prior notice to FOA, and subject to payment to FOA of all outstanding amounts due for the Services, any and all applicable Termination Charges, and the return of any and all FOA Equipment.

5.2 Termination for Cause.

(a) If Customer is in breach of a payment obligation (including failure to pay a required deposit), and fails to make payment in full within ten (10) days after receipt of notice of default, or has failed to make payments of all undisputed charges on or before the due date on three (3) or more occasions during any twelve (12) month period, FOA may, at its option, terminate this Agreement, terminate the affected Service Orders, suspend Service under the affected Service Orders, and/or require a deposit, advance payment, or other satisfactory assurances in connection with any or all Service Orders as a condition of continuing to provide the Services. However, FOA will not take any such action as a result of Customer's non-payment of a charge that is the subject of a timely billing dispute, unless the parties have reviewed the dispute and determined in good faith that the charge is correct.

(b) If either party breaches any material term of this Agreement and the breach continues without remedy for thirty (30) days after notice

of default, the non-defaulting party may terminate for cause any Service Order materially affected by the breach.

(c) A Service Order may be terminated by either party immediately upon notice if the other party has become insolvent or involved in liquidation or termination of its business, or adjudicated bankrupt, or been involved in an assignment for the benefit of its creditors.

(d) Termination by either party of a Service Order does not waive any other rights or remedies that it may have under this Agreement.

5.3 Effect of Expiration or Termination of the Agreement or a Service Order. Upon the expiration or termination of a Service Order for any reason: (i) FOA may disconnect the applicable Service; (ii) FOA may delete all applicable data, files, electronic messages, voicemail or other information stored on FOA's servers or systems; (iii) if Customer has terminated the Service Order prior to the expiration of the Service Term for convenience, or if FOA has terminated the Service Order prior to the expiration of the Service Term as a result of material breach by Customer, FOA may assess and collect from Customer applicable Termination Charges; (iv) Customer shall, permit FOA access to retrieve from the applicable Service Locations any and all FOA Equipment (however, if Customer fails to permit access, or if the retrieved FOA Equipment has been damaged and/or destroyed other than by FOA or its agents, normal wear and tear excepted, FOA may invoice Customer for the full replacement cost of the relevant FOA Equipment, or in the event of minor damage to the retrieved FOA Equipment, the cost of repair, which amounts shall be immediately due and payable); and (v) if used in conjunction with the terminated Service, Customer's right to use applicable Licensed Software shall automatically terminate, and Customer shall be obligated to return the Licensed Software to FOA.

5.4 Regulatory and Legal Changes. The parties acknowledge that the respective rights and obligations of each party as set forth in this Agreement upon its execution are based on law and the regulatory environment as it exists on the date of execution of this Agreement. FOA may, in its sole discretion, immediately terminate this Agreement, in whole or in part, in the event there is a material change in any law, rule, regulation, Force Majeure event, or judgment of any court or government agency, and that change affects FOA's ability to provide the Services herein.

ARTICLE 6. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES; WARNINGS

6.1 NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER OR NOT FORESEEABLE, OF ANY KIND INCLUDING BUT NOT LIMITED TO ANY LOSS REVENUE, LOSS OF USE, LOSS OF BUSINESS OR LOSS OF PROFIT, WHETHER SUCH ALLEGED LIABILITY ARISES IN CONTRACT OR TORT, PROVIDED, HOWEVER, THAT NOTHING HEREIN IS INTENDED TO LIMIT CUSTOMER'S LIABILITY FOR AMOUNTS OWED FOR THE SERVICES, FOR ANY EQUIPMENT OR

REMEDIES UNDER THIS AGREEMENT ARE EXCLUSIVE AND LIMITED TO THOSE EXPRESSLY DESCRIBED IN THIS AGREEMENT.

6.2 THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON- INFRINGEMENT WITH RESPECT TO THE SERVICES, FOA EQUIPMENT, OR LICENSED SOFTWARE. ALL SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED TO THE MAXIMUM EXTENT ALLOWED BY LAW. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, FOA DOES NOT WARRANT THAT THE SERVICES, FOA EQUIPMENT, OR LICENSED SOFTWARE WILL BE UNINTERRUPTED, ERROR-FREE, OR FREE OF LATENCY OR DELAY, OR THAT THE SERVICES, FOA EQUIPMENT, OR LICENSED SOFTWARE WILL MEET YOUR REQUIREMENTS, OR THAT THE SERVICES, FOA EQUIPMENT, OR LICENSED SOFTWARE WILL PREVENT UNAUTHORIZED ACCESS BY THIRD PARTIES.

6.3 FOA MAKES NO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO THE SERVICES, FOA EQUIPMENT, OR LICENSED SOFTWARE FOR USE BY THIRD PARTIES.

6.4 IN NO EVENT SHALL FOA, OR ITS ASSOCIATED PARTIES, SUPPLIERS, CONTRACTORS OR LICENSORS BE LIABLE FOR ANY LOSS, DAMAGE OR CLAIM ARISING OUT OF OR RELATED TO: (i) STORED, TRANSMITTED, OR RECORDED DATA, FILES, OR SOFTWARE; (ii) ANY ACT OR OMISSION OF CUSTOMER, ITS USERS OR THIRD PARTIES; (iii) INTEROPERABILITY, INTERACTION OR INTERCONNECTION OF THE SERVICES WITH APPLICATIONS, EQUIPMENT, SERVICES OR NETWORKS PROVIDED BY CUSTOMER OR THIRD PARTIES; OR (iv) LOSS OR DESTRUCTION OF ANY CUSTOMER HARDWARE, SOFTWARE, FILES OR DATA RESULTING FROM ANY VIRUS OR OTHER HARMFUL FEATURE OR FROM ANY ATTEMPT TO REMOVE IT.

6.5 DISRUPTION OF SERVICE. government restricting or prohibiting the operation or delivery of the Services.

6.6 Customer's sole and exclusive remedies under this Agreement are as expressly set forth in this Agreement. Certain of the above exclusions may not apply if the state in which a Service is provided does not allow the exclusion or limitation of implied warranties or does not allow the limitation or exclusion of incidental or consequential damages. In those states, the liability of FOA and its affiliates and agents is limited to the maximum extent permitted by law.

ARTICLE 7. INDEMNIFICATION

7.1 Subject to Article 6, each Party ("Indemnifying Party") will indemnify and hold harmless the other Party ("Indemnified Party"), its affiliates, officers, directors, employees, stockholders, partners, providers, independent contractors and agents from and against any and all joint or several costs, damages, losses, liabilities, expenses, judgments, fines, settlements and any other amount of any nature, including reasonable fees and disbursements of attorneys, accountants, and experts, arising from any and all claims, demands, actions, suits, or proceedings whether civil, criminal, administrative, or investigative (collectively, "Claims") relating to: (i) any Claim of any third party resulting from the negligence or willful act or omission of Indemnifying Party arising out of or related to the Agreement, the obligations hereunder, and uses of Services, FOA Equipment, and Licensed Software; and (ii) any Claim of any third party alleging infringement of a U.S. patent or U.S. copyright arising out of or related to this Agreement, the obligations hereunder, and the use of Services, FOA Equipment, and Licensed Software.

10.2 Use Policies. Customer agrees to ensure that all uses of the FOA Equipment and/or the Services installed at its premises ("use") are legal and appropriate. Specifically, Customer agrees to ensure that all

uses by Customer or by any other person ("user"), whether authorized by Customer or not, comply with all applicable laws, regulations, and written and electronic instructions for use. FOA reserves the right to act immediately and without notice to terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if FOA (i) determines that such use or information does not conform with the requirements set forth in this Agreement, (ii) determines that such use or information interferes with FOA's ability to provide the Services to Customer or others, (iii) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions for use. Furthermore, the Services shall be subject to one or more Acceptable Use Policies ("AUP") that may limit use, or (iv) reasonably believes that Customer's use of the Service interferes with or endangers the health and/or safety of FOA personnel or third parties. FOA may update the use policies from time to time, and such updates shall be deemed effective seven (7) days after the update is posted, with or without actual notice to Customer. FOA's action or inaction in enforcing acceptable use shall not constitute review or approval of Customer's or any other users' use or information.

10.3 Violation. Any breach of this Article 10 shall be deemed a material breach of this Agreement. In the event of such material breach, FOA shall have the right to restrict, suspend, or terminate immediately any or all Service Orders, without liability on the part of FOA, and then to notify Customer of the action that FOA has taken and the reason for such action, in addition to any and all other rights and remedies under this Agreement.

ARTICLE 11. SERVICE LEVEL AGREEMENTS (SLA)

FOA is committed to providing the highest level of Service to its Customers. The SLA defines the minimum Service expectations a Customer may expect from FOA Business Services. The remedies set forth in the SLA, which can be found on the FOA website at www.favorite1.com (or any successor URL, "Website"), shall be the Customer's sole and exclusive remedy for any Service Interruption in the Services, outage, unavailability, delay or other degradation in the Services or any FOA failure to meet the objectives of the Services.

ARTICLE 12. INSURANCE

12.1 FOA shall maintain during the Initial Term or any Renewal Term commercial general liability insurance that covers its liability and obligations hereunder including property damage and personal injury.

12.2 The liability limits under these policies shall be, at a minimum, one million (\$1,000,000) dollars per occurrence, with a combined single limit for bodily injury and property damage liability.

ARTICLE 13. MISCELLANEOUS TERMS

13.1 Force Majeure. Neither party shall be liable to the other party for any delay, failure in performance, loss, or damage to the extent caused by force majeure conditions such as acts of God, fire, explosion, power blackout, cable cut, acts of regulatory or governmental agencies, unavailability of right-of-way, unavailability of services or materials upon which the Services rely, or other causes beyond the party's reasonable control, except that Customer's obligation to pay for Services provided shall not be excused. Changes in economic, business or competitive condition shall not be considered force majeure events.

13.2 Assignment and Transfer. Neither Party shall assign any right, obligation or duty, in whole or in part, nor of any other interest hereunder, without the prior written consent of the other Party, which shall not be unreasonably withheld. The foregoing notwithstanding, FOA may assign this Agreement to any affiliate, related entity, or successor in interest without Customer's consent. In addition, FOA may partially assign its rights and obligations hereunder to any party that acquires from FOA all or substantially all of the assets of a network(s) in which the Services is deployed to Customer. All obligations and duties of either Party under this Agreement shall be binding on all successors in interest and assigns of such Party.

13.3 Export Law and Regulation. Customer acknowledges that any products, software, and technical information (including, but not limited to, services and training) provided pursuant to the Agreement may be subject to U.S. export laws and regulations, and any foreign use or transfer of such products, software, and technical information must be authorized under those regulations. Customer agrees that it will not use, distribute, transfer, or transmit the products, software, or technical information (even if incorporated into other products) except in compliance with U.S. export regulations. If requested by FOA, Customer also agrees to sign written assurances and other export-related documents as may be required for FOA to comply with U.S. export regulations.

13.4 Notices. Except as otherwise provided in this Agreement, any notices or other communications contemplated or required under this Agreement, in order to be valid, shall be in writing and shall be given via personal delivery, overnight courier, or via U.S. Certified Mail, Return Receipt Requested. Notices to Customer shall be sent to the Customer billing address; notices to FOA shall be sent to 2011 W State Street, New Castle PA 16101, Attn: Director of Operations, with an email copy to: service@favorite1.com All such notices shall be deemed given and effective on the day when delivered by overnight delivery service or certified mail.

13.5 Entire Understanding. The Agreement constitutes the entire understanding of the parties related to the subject matter hereof. The Agreement supersedes all prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning the Services or the parties' rights or obligations

relating to the Services. Any prior representations, promises, inducements, or statements of intent regarding the Services that are not expressly provided for in this Agreement are of no effect. Terms or conditions contained in any purchase order, or restrictive endorsements or other statements on any form of payment, shall be void and of no force or effect. Only specifically authorized representatives of FOA may make modifications to this Agreement or this Agreement's form. No modification to the form or this Agreement made by a representative of FOA who has not been specifically authorized to make such modifications shall be binding upon FOA. No subsequent agreement among the parties concerning the Services shall be effective or binding unless it is executed in writing by authorized representatives of both parties.

13.6 Tariffs. Notwithstanding anything to the contrary in the Agreement, FOA may elect or be required to file tariffs with regulatory agencies for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the Tariffs. Without limiting the generality of the foregoing, in the event of any inconsistency with respect to rates, the rates and other terms set forth in the applicable Sales Order shall be treated as individual case based arrangements to the maximum extent permitted by law, and FOA shall take such steps as are required by law to make the rates and other terms enforceable. If FOA voluntarily or involuntarily cancels or withdraws a Tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the Tariff immediately prior to its cancellation or withdrawal. In the event that FOA is required by a governmental authority to modify a Tariff under which Service is provided to Customer in a manner that is material and adverse to either party, the affected party may terminate the applicable Sales Order upon a minimum thirty (30) days' prior written notice to the other party, without further liability.

13.7 Construction. In the event that any portion of this Agreement is held to be invalid or unenforceable, the parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the parties, and the remainder of this Agreement shall remain in full force and effect.

13.8 Survival. The rights and obligations of either party that by their nature would continue beyond the expiration or termination of this Agreement or any Service Order, including without limitation representations and warranties, indemnifications, and limitations of liability, shall survive termination or expiration of this Agreement or any Service Order.

13.9 Choice of Law. The domestic law of the state Pennsylvania shall govern the construction, interpretation, and performance of this Agreement, except to the extent superseded by federal law.

13.10 No Third Party Beneficiaries. This Agreement does not expressly or implicitly provide any third party (including users) with

any remedy, claim, liability, reimbursement, cause of action, or other right or privilege.

13.11 No Waiver. No failure by either party to enforce any rights hereunder shall constitute a waiver of such right(s).

13.12 Independent Contractors. The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other Party. This Agreement shall not be interpreted or construed to create an association, agency, joint venture, or partnership between the Parties or to impose any liability attributable to such a relationship upon either Party.

13.13 Article Headings. The article headings used herein are for reference only and shall not limit or control any term or provision of this Agreement or the interpretation or construction thereof.

13.14 Compliance with Laws. Each of the Parties agrees to comply with all applicable local, state and federal laws and regulations and ordinances in the performance of its respective obligations under this Agreement.

ADDITIONAL TERMS APPLICABLE TO INTERNET SERVICES

In addition to Articles 1 through 13 above, Articles 14 and 15A are specifically applicable to Internet Service:

ARTICLE 14: WEB HOSTING. If Customer submits a Service Order(s) for web hosting services, the following terms shall also apply:

14.1 Authorization. By using the Services to publish, transmit or distribute material or content, Customer (i) warrants that the material or content complies with the provisions of the Agreement, (ii) authorizes FOA, its agents and affiliates to reproduce, publish, distribute, and display such content worldwide and (iii) warrants that Customer has the right to provide such authorization. Customer acknowledges that material posted or transmitted using the Services may be copied, republished or distributed by third parties, and agrees to indemnify, defend and hold harmless FOA, its agents and affiliates for any harm resulting from such actions.

14.2 Web Site Content. If applicable, FOA will host Customer's web site in a data center in accordance with FOA's then-current published specifications, including, without limitation, storage levels ("Customer Web Site"). Ownership of all graphics, text, or other information or content materials supplied or furnished by Customer for incorporation into or delivery through a Customer Web Site shall remain with Customer (or the party that supplied such materials to Customer). Ownership of any software developed or modified by FOA and all graphics, text, or other information or content materials

supplied or furnished by FOA for incorporation into a Customer Web Site shall remain with FOA (or the party that supplied such materials to FOA). Customer agrees that FOA has no proprietary, financial, or other interest in Customer's goods or services that may be described in or offered through a Customer Web Site, and that Customer is solely responsible for content quality, performance, and all other aspects of its goods or services and the information or other content contained in or provided through a Customer Web Site. Customer assumes all responsibility for use by others of the Customer Web Site (including commercial transactions, whether completed or not).

14.3 Web Site Backup and Restoration. Customer acknowledges and agrees that (i) it is responsible for developing and maintaining procedures (apart from the Services) to protect the Customer content, including, without limitation, making appropriate backup copies of the Customer content as may be necessary for reconstruction of any data, files, informational materials, or electronic messages; and (ii) FOA is not responsible for backup and restoration of Customer Content.

ARTICLE 14A: PROVISION OF SERVICE/USE. Subject to the terms and conditions herein, Internet Services are intended for commercial use only. Customer is prohibited from reselling Hospitality Internet Services, except that Customer may use such Services to provide internet service to its short-term lodging accommodation end users. FOA shall provide Hospitality Internet Service to a demarcation point at the Service Location. Customer shall be responsible for any and all facilities, equipment and/or devices required to use Hospitality Internet Services on the customer-side of the demarcation point.

ARTICLE 15. DOMAIN NAME REGISTRATION. If Customer submits a Service Order(s) for domain name registration services, the following terms shall also apply:

15.1 Registration. At the request of Customer, FOA will use commercially reasonable efforts to facilitate the registration of the Customer internet domain name ("Customer Domain Name") with a domain name registration service of FOA's choosing, but only to the extent that Customer provides FOA with all necessary information relevant to such registration. The domain name registration service will invoice Customer directly for all applicable registration fees, maintenance fees, and other applicable fees related thereto. Customer hereby acknowledges that Customer is entirely responsible for the payment of any and all such fees. FOA does not represent that the Customer Domain Name will be available on an initial or ongoing basis. Further, Customer acknowledges that Customer, not FOA, has ownership, control, and use of the Customer Domain Name. Further, Customer hereby agrees now and forever to release and to hold harmless FOA, its employees, affiliates, agents, and contractors, from any and all losses, damages, rights, claims, and actions with respect to, or in any way arising from, the domain name registration service's removal of allocation or support for the Customer Domain Name. Should Customer require modification of the Customer Domain Name or additional related services, additional charges may apply from the

relevant registration service and from FOA for setup of the modification or addition.

15.2 Sub-Domain Name. Should Customer be unable to register a unique domain name, FOA may grant upon Customer request and only for the term of the Service Order providing for such service, the limited, personal, and non-transferable right to specify and append a sub-domain name to FOA's prescribed domain name, for the sole purpose of uniquely identifying Customer's e-mail address. FOA does not represent that Customer's selected sub-domain name will be available. Customer receives no right to FOA's domain name other than as specifically stated in this Article 15. Upon the termination of the applicable Service Order, Customer shall surrender all rights, privileges and interest in and to the sub-domain name and FOA's domain name.

ADDITIONAL TERMS APPLICABLE TO VOICE SERVICES AND HOSPITALITY VOICE SERVICES

In addition to provisions 1 THROUGH 13 above, the following Articles 16 through 20 are specifically applicable to Voice Services.

ARTICLE 16: USAGE BILLING

16.1 Voice Service calling plans billed as a flat monthly fee may not include certain call types. These excluded call types will instead be charged on a per-call basis (e.g., operator services) or a measured basis (e.g., international calls). Generally, for billing purposes, a measured call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call.

16.2 Except as otherwise provided in these General Terms and Conditions, Voice Service measured calls are recorded in whole minutes, with partial minutes rounded up to the next whole minute. If the computed charge for a measured call or for taxes or surcharges includes a fraction of a cent, the fraction is rounded up to the nearest whole cent.

16.3 Notwithstanding anything to the contrary in this Agreement, some providers (e.g., those involved in calls to foreign countries) charge for a completed call when the called party's line rings or after a certain number of rings. If such a provider charges FOA or its Associated Parties, as if such a call were answered by the called party, FOA will charge Customer for a completed call. Voice Service, including Hospitality Voice Service, pricing lists and fees can be supplied by a FOA representative.

ARTICLE 17: USE POLICY

17.1 Additional Use Restrictions. Except as otherwise provided in the General Terms and Conditions, Voice Service may only be used at Service Location(s) where such service is installed by FOA. Customer

understands and acknowledges that if Customer attempts to install or use the FOA Equipment or Voice Service at another location, Voice Service, including but not limited to 911/E911, may fail to function or may function improperly. It will be considered a material violation of this Agreement if Customer moves Voice Service to another location without first notifying FOA. Customer expressly agrees not to use Voice Service for auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting, or for any other use that results in excessive usage inconsistent with standard commercial calling patterns. If FOA determines, in its sole discretion, that Customer's use of Voice Service is excessive or in violation of this Agreement, FOA reserves the right, among other things, to terminate or modify Voice Service immediately and without notice.

ARTICLE 17A: SERVICE LIMITATION

17A.1 Disruption of Service. Customer acknowledges and understands that Voice Service will not be available for use under certain circumstances, including without limitation when the network or facilities are not operating or if normal electrical power to the MTA, ATA or ALG is interrupted and such equipment does not have a functioning backup. Customer also understands and acknowledges that the performance of the battery backup is not guaranteed. If the battery backup does not provide power, Voice Services will not function until normal power is restored. Customer also understands that certain online features of Voice Service, where such features are available, will not be available under certain circumstances, including but not limited to the interruption of the Internet connection.

17A.2 Provision of Service. Subject to the terms and conditions herein, Voice Services are intended for commercial use only.

ARTICLE 18: LIMITATIONS OF 911/E911

18.1 Limitations. Voice Services includes a 911/ Enhanced 911 function ("911/E911") that may differ from the 911 or Enhanced 911 function furnished by other providers. As such, it may have certain limitations. CUSTOMER ACKNOWLEDGES AND ACCEPTS ANY LIMITATIONS OF 911/E911.

18.2 Correct Address. In order for Customer's 911/E911 calls to be properly directed to emergency services, FOA must have Customer's correct Service Location address. If Customer moves Voice Service to a different Service Location without FOA's approval, 911/E911 calls may be directed to the wrong emergency authority, may transmit the wrong Service Location address, and/or Voice Service (including 911/E911) may fail altogether. Therefore, Customer must contact FOA at least five (5) days before moving Voice Service to a new Service Location. All changes in Service Location require FOA's prior approval.

18.3 Service Interruptions. Customer acknowledges and understands that certain Voice Service uses the electrical power in Customer's Service Location. If there is an electrical power outage, 911 calling may be interrupted if the battery backup in the associated MTA, ALA

or ALG is not installed, fails, or is exhausted after several hours. Furthermore, calls, including calls to 911/E911, may not be completed if Customer exceeds its Voice Service and equipment configuration calling capacity or if there is a problem with network facilities, including network congestion, network/equipment/power failure, or another technical problem.

18.4 Suspension and Termination by FOA. Customer understands and acknowledges that Voice Service, including 911/E911, as well as all online features of Voice Service, where FOA make these features available, will be disabled if Customer's account is suspended or terminated.

18.5 LIMITATION OF LIABILITY AND INDEMNIFICATION. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER FOA NOR ITS ASSOCIATED PARTIES WILL BE LIABLE FOR ANY VOICE SERVICE OUTAGE, INABILITY TO DIAL 911 USING THE SERVICES, AND/OR INABILITY TO ACCESS EMERGENCY SERVICE PERSONNEL. CUSTOMER AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS FOA AND ITS ASSOCIATED PARTIES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, FINES, PENALTIES, COSTS, AND EXPENSES (INCLUDING BUT NOT LIMITED TO REASONABLE ATTORNEY FEES) BY, OR ON BEHALF OF, CUSTOMER OR ANY THIRD PARTY OR USER OF THE VOICE SERVICES RELATING TO THE FAILURE OR OUTAGE OF THE SERVICES, INCLUDING THOSE RELATED TO 911/E911.

ARTICLE 19: VOICE EQUIPMENT REQUIREMENTS

19.1 MTA. To use Voice Service, Customer may need a multimedia terminal adapter ("MTA"), application layer gateway ("ALG"), analog telephone adapter ("ATA") or other adapter device. Customer can lease an MTA from FOA, in which case it will be FOA Equipment. Or, in some areas, FOA may permit Customer to use Voice Service with an MTA that Customer has purchased, in which case the MTA will be Customer Equipment. Customer agrees to keep the MTA plugged into a working electrical power outlet at all times.

19.2 Incompatible Equipment and Services. Customer acknowledges and understands Voice Service may not support or be compatible with:

- (a) Non-recommended configurations including but not limited to MTAs, ATAs or ALGs not currently certified by FOA as compatible with Voice Service;
- (b) Certain non-voice communications equipment, including certain makes or models of alarm and security systems, certain medical monitoring devices, certain fax machines, and certain "dial-up" modems;
- (c) Rotary-dial phone handsets, pulse-dial phone handsets, and models of other voice-related communications equipment such as certain private branch exchange (PBX) equipment, answering machines, and traditional Caller ID units;

(d) Casual/dial around (10-10) calling; 976, 900, 700, or 500 number calling;

(e) 311, 511, or other x11 calling (other than 411 and 911); and

(f) Other call types not expressly set forth in FOA's product literature (e.g., outbound shore-to-ship calling).

ARTICLE 20: ADDITIONAL LIMITATIONS ON FOA'S LIABILITY FOR VOICE SERVICE

20.1 Limitations on FOA's Liability for Directories and Directory Assistance for Voice Service Customers. THESE LIMITATIONS SHALL APPLY WHERE FOA MAKES AVAILABLE AN OPTION TO LIST CUSTOMER'S NAME, ADDRESS, AND/OR TELEPHONE NUMBER IN A PUBLISHED DIRECTORY OR DIRECTORY ASSISTANCE DATABASE, AND ONE OR MORE OF THE FOLLOWING CONDITIONS OCCURS: (i) CUSTOMER REQUESTS THAT CUSTOMER'S NAME, ADDRESS AND/OR PHONE NUMBER BE OMITTED FROM A DIRECTORY OR DIRECTORY ASSISTANCE DATABASE, BUT THAT INFORMATION IS INCLUDED IN EITHER OR BOTH; (ii) CUSTOMER REQUESTS THAT CUSTOMER'S NAME, ADDRESS AND/OR PHONE NUMBER BE INCLUDED IN A DIRECTORY OR DIRECTORY ASSISTANCE DATABASE, BUT THAT INFORMATION IS OMITTED FROM EITHER OR BOTH; OR (iii) THE PUBLISHED OR LISTED INFORMATION FOR CUSTOMER'S ACCOUNT CONTAINS MATERIAL ERRORS OR OMISSIONS. IF ANY OF THESE CONDITIONS PERTAIN, THEN THE AGGREGATE LIABILITY OF FOA AND ITS ASSOCIATED PARTIES SHALL NOT EXCEED THE MONTHLY CHARGES, IF ANY, WHICH CUSTOMER HAS ACTUALLY PAID TO FOA TO LIST, PUBLISH, NOT LIST, OR NOT PUBLISH THE INFORMATION FOR THE AFFECTED PERIOD. CUSTOMER SHALL HOLD HARMLESS FOA AND ITS ASSOCIATED PARTIES AGAINST ANY AND ALL CLAIMS FOR DAMAGES CAUSED OR CLAIMED TO HAVE BEEN CAUSED, DIRECTLY OR INDIRECTLY, BY THE ERRORS AND OMISSIONS REFERENCED ABOVE. FURTHERMORE, IF FOA MAKES AVAILABLE DIRECTORY ADVERTISING SERVICES, NEITHER FOA NOR ANY OF ITS ASSOCIATED PARTIES WILL BE LIABLE FOR ANY ACTS, ERRORS, OR OMISSIONS RELATED TO SUCH DIRECTORY ADVERTISING.

20.2 CUSTOMER INFORMATION. FOA and its suppliers reserve the right both during the term of this Agreement and upon its termination to delete Customer's voicemail, call detail, data, files, or other information that is stored on FOA's or its suppliers' servers or systems, in accordance with our storage policies. Customer understands and acknowledges that FOA shall have no liability whatsoever as a result of the loss or removal of any such voicemail, call detail, data, files, or other information.

ARTICLE 20A: ADDITIONAL TERMS APPLICABLE TO TOLL FREE SERVICES

In addition to Articles 1 THROUGH 13 and Articles 17 THROUGH 20, the following Article 20A is specifically applicable to Toll Free Services offered by FOA:

20A.1 Limitation. Subject to service availability, Customer may order Toll Free Services. Toll Free Services are not intended for residential use. In order to purchase and retain Toll Free Service with FOA, Customer must have Voice Services, and must map each Toll Free telephone number (“TFN”) to a Voice Service telephone number (“Associated TN”). If Customer terminates an Associated TN at any time during the Toll Free Services term, Customer must immediately: (1) map the applicable TFN to another Digital Voice telephone number on Customer’s FOA account, (2) purchase a new Digital Voice telephone number to map to the TFN, (3) port out the TFN to another toll free carrier; or (4) disconnect the TFN. If Customer fails to take immediate action as indicated above, FOA will disconnect the TFN. FOA shall have no liability for loss of Toll Free Services which results from Customer failing to take immediate action as indicated above.

20A.2 Term and Termination. Toll Free Services are offered on a month to month basis. Customer shall have the right to terminate Toll Free Services, at any time, for any reason, upon thirty (30) days prior notice to FOA, subject to payment of all outstanding amounts due for the Toll Free Services and the return of any and all FOA Equipment. Termination of Toll Free Services is not subject to Termination Charges. Toll Free Services will terminate simultaneously with Customer’s Voice Services.

20A.3 Authorization. When ordering Toll Free Service, as set forth or referenced in each applicable Service Order Customer authorizes FOA to act as its agent in initiating and provisioning such Toll Free Service.

20A.4. Toll Free Charges

(a) Prices. Toll Free Service is subject to the toll free pricing identified in the applicable Service Order, or if none stated, subject to the pricing lists and fees found at www.favorite1.com.

(b) Billing Increments. Unless otherwise stated in a Service Order, usage-based charges will be billed on either a per-minute or per-message basis. Service calls invoiced on a per-minute basis will have an initial minimum call duration of one (1) minute, subsequent intervals of one (1) minute each, and will be billed by rounding to the next whole minute.

(c) Rounding of Charges. FOA reserves the right to round up any and all invoice amounts to the nearest one (1) cent.

(d) Provision of Service. Subject to the terms and conditions herein, Toll Free Services are intended for commercial use only.

ARTICLE 20B: ADDITIONAL TERMS APPLICABLE TO TRUNK SERVICES

In addition to provisions 1 THROUGH 13 and Articles 17, 19 AND 20 above, the following Article 20B is specifically applicable to Trunk Services offered by FOA:

20B.1 Limitation. Subject to service availability, Customer may order Trunk Services. Trunk Services are not intended for residential use.

20B.2 911 Notice for Trunk Services. Customer expressly acknowledges and agrees that it has reviewed, understands, and agrees to the terms set forth below.

(a) Customer action is essential to the protection of its employees and other users of the Trunk Services, as described below. Multi-line telephone systems, such as PBX systems, ordinarily only transmit the same, generic location information for all 911 calls placed from any handset connected to the PBX or other system. For example, in the case of a business with telephone extensions in three buildings and multiple floors in each building, the E911 call taker would only see the same main telephone number and location that the customer has identified, regardless of which station was used to place the call. **If Customer does not take action as described below, fire, police and other emergency responders may be delayed or even prevented from timely reaching its location in response to a 911 call.**

(b) FOA offers the opportunity for Customers to designate up to ten different zones within their premises that would be separately identified to the E911 call taker, such as a specific floor, side of a building, or other identifying information that could assist emergency responders to more quickly reach the appropriate location. To utilize this option, Customer must in the initial or a subsequent Service Order request the assignment of Emergency Location Information numbers and provide location information for each zone exactly as it should appear to the 911 call taker. For each zone requested, up to ten, Customer will receive a phone number that FOA will register in the 911 database or databases with the specific location information provided by Customer. Customer is solely responsible for programming its telephone system to map each station to one of these numbers, and for updating the system as necessary to reflect moves or additions of stations within the premises.

(c) Many states now require businesses using multi-line telephone systems to program their systems to transmit specific location information for 911 calls. Customer acknowledges and understands that it, and not FOA, bears sole responsibility to ensure that it identifies and complies with all such applicable laws, and any failure to do so is a breach of the Agreement. Customer represents, warrants and covenants that it will utilize the FOA Emergency Location Information numbers described above at least to the extent required by law, and that Customer does not require the use of more than ten different location identifiers or other features not currently offered under this Agreement in order to comply with applicable laws. Customer also warrants that it does not currently have “Private Switch/Automatic Location Identification” service in connection with

its existing telephone service from another provider at the location(s) for which it has ordered Trunk Services from FOA.

(d) FOA will post only the main billing telephone number in the 911 database or databases using Customer's billing address as the Registered Location, unless Customer requests the assignment of Emergency Location Information as set forth above. Customer must notify FOA at least five (5) days prior to moving the Trunk Service to another location. Customer acknowledges that if they move prior to providing such notice and a 911 call is placed using the Trunk Services, or if Customer when using Emergency Location Information numbers does not timely update their telephone system to account for internal moves, adds and changes, the E911 call taker may see incorrect or incomplete location information and the caller may need to confirm their actual location information to the call taker. (e) Some businesses elect to make test calls to 911 from multiple stations to verify that the 911 call taker receives the desired location information and is able to call back one or more of the telephone numbers that they receive to confirm it rings to the station from which the 911 call was placed. If Customer chooses to do so, it agrees to obtain prior approval from the relevant emergency communications center and assumes all responsibility for the placement of such calls.

20B.3 Recommended Battery Back-Up is NOT Included

Customer acknowledges and understands that the Trunk Services use the electrical power from the Service Location. Customer understands and acknowledges that they may lose access to and use of the Trunk Services, including 911/E911, if electrical power to the Integrated Access Device (IAD), PBX switch, and/or handsets is interrupted and such devices are not supported by a working battery backup. Customer also understands and acknowledges that FOA does not provide a battery backup for such devices and Customer is urged to arrange for their own backup power supply to these devices. In the event of a power outage, the duration of Trunk Service during a power outage using the FOA Equipment installed to provide Trunk Service will depend on Customer's backup power choice. If the IAD is disconnected or removed and/or a battery is not charged, Trunk Service, including access to 911, will not be available. Customer acknowledges and agrees that in the event of a power failure, FOA bears no responsibility for such loss of service.

20B.4 Customer Responsibility for Telephone Equipment

(a) Customer is solely responsible for providing and maintaining working PBX equipment and handsets (Customer- Provided Equipment), notifying and training its users regarding proper use of the system in accordance with applicable, including regulatory, requirements, and for any programming to its telephone system that may be necessary to enable direct dialing of N11 numbers such as 911 and to enable calls to be connected to new area codes. Customer also acknowledges and accepts that FOA does not support seven- digit local calling even in areas of the country that still permit that option,

and Customer will program its system as necessary to support ten-digit dialing for local calls.

(b) FOA shall not be responsible to the Customer if changes in any of the facilities, operations or procedures of FOA utilized in the provision of Trunk Service render any Customer-Provided Equipment or other equipment provided by a Customer obsolete or require modification or alteration of such equipment or system or otherwise affect its use or performance.

(c) Customer must arrange its Customer-Provided Equipment to provide for the interception of assigned but unused station numbers. A call intercepted by the attendant will be considered to be completed and subject to a charge for the call.

(d) Customer acknowledges and agrees that Trunk Service is not compatible with alarm and security systems, certain medical monitoring devices, certain fax machines, and certain "dial-up" modems. Customer's attempt to use any such systems in connection with Trunk Services is solely at its own risk and FOA shall not be liable for any damages whatsoever for any non-operation or damage to such services or devices.

20B.5 Trunk Service Charges.

(a) **Prices.** Trunk Service is subject to the trunk service pricing identified in the applicable Service Order, and subject to the pricing lists and fees available upon request.

(b) **Billing Increments.** Unless otherwise stated in a Service Order, domestic long distance calls, and in-bound domestic calls to toll-free numbers associated with Trunk Services will be billed on a per-minute or per-message basis. Service calls invoiced on a per-minute basis will have an initial minimum call duration of one (1) minute, subsequent intervals of one (1) minute each, and will be billed by rounding to the next whole minute. All other calls will be billed in accordance with the increments identified in the pricing lists and fees found at www.favorite1.com. For purposes of this section, "domestic" means calls within the continental United States.
